SUMMARY

Motivated Computer Science graduate with a Bachelor's degree in Netcentric Computing, equipped with skills in programming (C++), web & UI/UX design, database management, networking, and Linux (Beginner). Actively seeking an internship from 7 September 2026 to 11 December 2026 to apply technical knowledge, contribute to real-world projects, and gain practical experience in a professional environment. Strong problem-solving abilities, adaptability, and eagerness to learn make me a valuable addition to any team.
